

# Not Only, but ALSO ....

It's very useful to be able to compare things; here are three of the most useful ways of doing it.

<b>Both ... and ...</b>	<i>He's both clever and hard-working.</i>
<b>Neither ... nor ...</b>	<i>This car is neither cheap nor economical. Neither London nor Paris is exactly cheap to visit!</i>
<b>Either ... or ...</b>	<i>We can either go to Paris or to Rome. Either Rome or Paris would be fine.</i>
<b>Not only ... but also ...</b>	<i>English is not only useful but also a lot of fun. Not only does he smoke, but he also drinks like a fish. Not only does he smoke; he also drinks like a fish.</i>
