

# The One and Only Buddy Holly

## Think it over

Think it over what you just said.  
Think it over in your pretty little head.  
Are you sure that I'm not the one?  
Is your love real, or only fun?  
Think it over, yes think it over.  
A lonely heart grows cold and old.

Think it over and let me know.  
Think it over but don't be slow.  
Just remember all birds and bees  
Go by twos through life's mysteries.  
You think it over, yes think it over.  
A lonely heart grows cold and old.

Think it over and think of me.  
Think it over and you will see  
The happy day when you and I  
Make as one and kiss the blues goodbye.  
Think it over, yes think it over.  
A lonely heart grows old and cold.  
Think it over, think it over.

## Listen to Me

Listen to me and hold me tight,  
And you will see our love's so right.  
Hold me darling - listen closely to me.

Your eyes will see what love can do,  
Reveal to me your love so true.  
Listen to me - listen closely to me.

I told the stars you're my only love,  
I want to love you tenderly.  
Those same bright stars, heaven above,  
Know now how sweet weetharts can be.

Listen to me - hear what I say.  
Our hearts can be nearer each day.  
Hold me darling - listen closely to me.

*Listen to me. Listen to me.*

I told the stars you're my only love,  
I want to love you tenderly.  
Those same bright stars, heaven above,  
Know now how sweet sweethearts can be.

Listen to me - hear what I say.  
Our hearts can be nearer each day.  
Hold me darling - listen closely to me.

## Heartbeat

Heartbeat, why do you miss when my baby kisses me?  
Heartbeat, why does a love kiss stay in my memory?  
Pitter-le-pat, I know that new love thrills me.  
I know that true love will be.  
Heartbeat, why do you miss when my baby kisses me?

Heartbeat, why do you skip when my baby's lips meet mine?  
Heartbeat, why do you flip then give me a skip each sign?  
Pitter-le-pat, and sing to me love's story,  
And bring to me love's glory.  
Heartbeat, why do you miss when my baby kisses me?

**Charles Hardin Holley** (September 7, 1936 – February 3, 1959), known professionally as Buddy Holly, was an American singer-songwriter and a pioneer of rock and roll. Although his success lasted only a year and a half before his death in an airplane crash, Holly is described by critic Bruce Eder as "the single most influential creative force in early rock and roll."<sup>[1]</sup>

His works and innovations inspired and influenced both his contemporaries and later musicians, notably The Beatles, The Beach Boys, The Rolling Stones, and Bob Dylan, and exerted a profound influence on popular music.<sup>[2]</sup>

Holly was in the first group of inductees to the Rock and Roll Hall of Fame in 1986.<sup>[3]</sup> In 2004, Rolling Stone ranked Holly #13 among "The Fifty Greatest Artists of All Time".<sup>[4]</sup>
