

“Moonlight Shadow” - Mike Oldfield

The last that ever she saw him,
Carried away by a moonlight shadow.
He passed on worried and warning,
Carried away by a moonlight shadow.
Lost in a riddle that Saturday night,
Far away on the other side,
He was caught in the middle of a desperate fight,
And she couldn't find how to push through.

The trees that whisper in the evening,
Carried away by a moonlight shadow,
Sing a song of sorrow and grieving,
Carried away by a moonlight shadow.
All she saw was a silhouette of a gun,
Far away on the other side.
He was shot six times by a man on the run,
And she couldn't find how to push through.
I stay, I pray, see you in heaven far away.
I stay, I pray, see you in heaven one day.

Four a.m. in the morning,
Carried away by a moonlight shadow,
I watched your vision forming,
Carried away by a moonlight shadow.
Stars move slowly in a silvery night,
Far away on the other side.
Will you come to talk with me this night?
But she couldn't find how to push through.
I stay, I pray, see you in heaven far away.
I stay, I pray, see you in heaven one day.

Far away on the other side,
Caught in the middle of a hundred and five,
The night was heavy and the air was alive,
But she couldn't find how to push through.
Carried away by a moonlight shadow.
Carried away by a moonlight shadow,
Far away on the other side,
But she couldn't find how to push through.
