

I was eating an ice cream	when it fell on the ground.
I was playing football	when I broke my ankle.
I was doing my homework	when the lights went out.
I was cycling down the road	when a dog ran out in front of me.
I was patting the neighbour's little dog	when it bit me.
I was speaking to my friend on the phone	when I got cut off.
I was walking down the street	when a car ran into a bus.
I was waiting for the bus	when it started to rain.
I was fishing at the lake	when I fell into the water.
I was dancing the lambada	when I pulled a muscle.
I was doing the shopping at the supermarket	when I slipped on the wet floor.
I was writing a letter to my aunt	when my pen ran out of ink.
I was doing the washing-up	when I broke a plate.
I was putting up my umbrella	when it got stuck.
I was watching the lions at the zoo	when one suddenly escaped.
I was trying to repair the television	when it suddenly exploded.
